Offering Summary

635 Ashbury Street is a well maintained (8) unit apartment building located between Haight Street and Waller Street in Haight Ashbury, one of San Francisco's landmark neighborhoods. Haight Ashbury is conveniently located in the center of San Francisco. Proximity to parks is one of the major perks of living in this neighborhood. On the east, you'll find Buena Vista Park, and heading west is Golden Gate Park, the third most visited park in the country. The Panhandle spans the northern width of the neighborhood and is a favored spot among residents offering a large amount of activities and amenities for residents. The main commercial corridor is on Haight Street with it's array of eclectic restaurants, bars, record shops, specialty stores, and coffee houses. Public transportation serves the area well. One can easily catch the N-Judah Muni train or one of the many bus lines that serve the area. For accessing other San Francisco neighborhoods, the 37 ambles through Upper Haight and circles to other parts of The City.

635 Ashbury Street was built in 1905 and is approximately 8,000-square-feet. This multi-story apartment building features a pink façade and a large archway entrance. The unit mix in the building consists of one (1) studio one bath & seven (7) two bedroom one bath apartments. This wood frame building is constructed over a concrete foundation, and has a wood façade. The units include wood flooring, large windows and dishwashers in the kitchens. The building is separately metered for gas and for electric with circuit breakers in the renovated units, (400 amp main service). Heating is provided by gas wall heaters and individual 30 gallon Bradford & White storage tanks provide hot water to the building. The tar & gravel roof appears to be in good condition. The laundry facility has a coin operated washer and dryer (leased). The building is not on the City of San Francisco's Soft Story Retrofit list.

635 Ashbury Street offers investors the opportunity to acquire an apartment building in a prime Haight Ashbury location with three (3) units being delivered vacant at close of escrow. This may be ideal for an owner occupier, a TIC converter, or an investor who would like to hold long term as a rental property with upside and development conversion potential.
